

Code: MP3CLEANSOCKS..

# MP3 CLEANING SOCKS

## Description

Display polishing sock

## Range

- 3 colours

## Features

- 1 - Triple-layer construction for maximum protection
- 2 - It cleans the music player every time you take it out
- 3 - Rub the mobile phone to clean it up
- 4 - Display polishing microfibre lining

## Compatibility

Universal

## A closer look

### 1] TRIPLE LAYER MICROFIBRE

The microfibre lining keeps the display clean and shiny, and the triple layer of fabric offers greater protection than any other sock.

### 2] PACK WITH TESTER

Every hang-tag comes with a microfibre sample, so anyone can test the MP3 CLEANING SOCKS polishing lining for themselves.
