PHONE & MUSIC HANDS-FREE KIT

Music Cable Connection Included

1] TELEPHONE, GPS AND MUSIC

INTERPHONE F2 CITY is the most practical and safest helmet hands-free kit for riders, who only need to listen to their favourite music or use their mobile phones while riding in the city or during their short-distance trip.

INTERPHONE F2 CITY connects to mobile phones through Bluetooth® and allows communication at high speeds thanks to the wind-shielded microphone and noise filtering device. It is waterproof, dustproof and mud resistant (*IP76 certified*), and fits all helmets!

Thanks to the 3.5mm stereo plug-in, INTERPHONE F2 CITY can also be connected to every kind of music players, including iPod®.

2] WATER AND DUST-PROOF

INTERPHONE F2 CITY and all the Interphone range, comply with CEI EN 60529/1997 (*ex CEI 70-1*), are the only ones certified as IP 67 (*totally waterproof and dustproof*).
